

Discovery Speaking Rules

Objective

To develop the ability of young FFA members to competently express themselves as they assume the responsibilities of leadership within the agriculture industry.

A. *Rules and Regulations*

1. The event is open to all FFA members in good standing who are regularly enrolled in an agricultural education course at the seventh or eighth grade level of the current school year and who have not placed first in the state Discovery Speaking Leadership Development Event (LDE) previously.
2. Each district will determine the number of individuals per school allowed to compete at the district level. Ribbons may be awarded according to the guidelines on the results sheets. The top four participants shall be ranked, regardless of their ribbon assignment. Up to three receiving a purple ribbon rating at the district level may advance to the state round of competition. Advancing speakers are to be of high quality. Any identified alternate must have received a purple or blue ribbon rating.
3. Each participant shall wear the official FFA dress as defined in the FFA Manual: a white collared shirt or blouse, official FFA tie or scarf, black trousers or skirt, black shoes, and FFA jacket. Points may be deducted for variance from official dress.
4. In addition to the Discovery Speaking LDE, the participant may compete in the Conduct of Chapter Meetings event. They are not eligible to compete in any other individual (not team-based) Leadership Development Event in the same year in which they participate in Discovery Speaking.
5. Each speech shall be a maximum of four minutes and a minimum of two minutes in length. A time indicator shall be provided at three minutes. One point will be deducted for each second that the student speaks over time or under time. A maximum of three minutes of additional time will be allowed to each participant to answer questions asked by the evaluators.
6. A bibliography in APA or MLA style must be included as part of the speaker's manuscript and direct quotes from any other source of information must be in quotes on the manuscript and identified with the bibliography. **Charts and other visual aids are prohibited.**

7. The participant's use of a manuscript while speaking is prohibited at the district and state events; index cards are acceptable.
8. A state-qualifying participant will submit an electronic typed copy of the complete manuscript, including the cover page and bibliography, for the state event. District event coordinators shall determine and communicate the number of copies required for the district level of competition. The cover page shall be included at the front of the speech manuscript, and it must include the participant's name, chapter, "Discovery Speaking Leadership Development Event", and the title of the speech. The copies must be brought to the district event as instructed by the district event coordinator. For state competition, manuscript copies must be submitted to the Nebraska FFA state office by the date designated on the Nebraska FFA Association website.
9. A middle school member may choose to address any current and relevant topic of the agriculture industry's pathways: agribusiness systems, animal systems, environmental services and natural resources systems, food products and processing systems, plant systems, or power, structural and technical systems. This event is a middle school parallel version of the Junior Public Speaking LDE and the Senior Public Speaking LDE.
