

2026 Nebraska FFA Hall of Chapters Handbook

Overview

The Hall of Chapters event allows FFA chapters from across Nebraska to create a display to highlight Nebraska Agriculture. Chapters are encouraged to design and implement educational displays within the parameters to be showcased at the Nebraska FFA State Convention.

The 2026 Hall of Chapters Event will be a **showcase display event only**. There will not be an interview or judging process. There will be a Showcase Hour from 5:30-6:30 pm on Wednesday, March 25th where chapters are invited to have students staff their booth and interact with people coming to the opening session.

Set-Up and Take Down

Set up for all registered displays will be on Wednesday from Noon to 5 pm. Displays must be finished by 5:00 pm. Display locations will be provided to chapters prior to convention. No switching of locations will be allowed. Displays will remain in place until Friday at 2:30 pm. All displays must be completely removed 30 minutes after the final session. Anything left on tables after the close of the final session will be thrown away.
